Ordering Textbooks from The Pennington School’s Virtual Campus Website

Follett’s goal is to make the textbook shopping experience as easy as possible. For your convenience, your bookstore website has been set up for you to select your Department, then Course, then Section (DCS), after which both required and recommended books will appear.

How to Find Your Books

2. If you have shopped with Follett before, sign in with your email address and password. If you are new to Follett, click Create Account to set up an account.
3. To begin ordering books, click the textbooks icon at the top of the page, and then select your program and term.
4. Next, select the department and course and click Find Materials for Courses.
5. Textbooks and purchasing options appear.
   
   NOTE: Books marked Required are necessary for the class and those marked Recommended are optional.
6. Select your books for each course and click Add to Bag.
   
   NOTE: Arrives soon may sometimes display. During the busy season, books move in and out of our warehouse quickly. We typically have a backup publisher order on its way and the book is back in stock by the time your order ships. If for some reason we cannot fulfill your order, Customer Service will contact you immediately.

How to Purchase Your Books

1. In your Bag, review your order for accuracy. Edit/adjust if necessary and proceed to Checkout.
2. From Checkout, follow the instructions and submit your order.
